Dear Community Partner,

The City of Pasadena Public Health Department is sponsoring a community health and wellness fair in honor of Children's Mental Health Awareness Month. This fair is scheduled on Saturday, May 14, 2016 from 10am to 3pm at the Jackie Robinson Center (1020 N. Fair Oaks Ave. in Pasadena).

We would like to extend the invitation to your organization to participate in this event by hosting a table, providing basic screenings, and/or donating incentive/giveaway items. We hope to make this health and wellness fair as fun, informative, and interactive as possible so that the participants will leave empowered with the awareness of the abundance of services available to them in the Pasadena area.

We estimate that approximately 200 participants will have the opportunity to visit your table and talk to you about your services. We will provide a table, 2 chairs, and an outdoor umbrella with a stand. Please bring own equipment such as handouts, posters, extension cords, etc. If you require additional space or specific electrical requirements, please let us know as soon as possible so we can address each of these needs before the day of the fair. We are also requesting a \$50 participation fee per agency; the collected fees will go entirely toward the cost of the fair, including food and prizes.

To confirm your participation, please complete the enclosed registration form and return it to:

Erika Davies  
Pasadena Public Health Department  
1845 N. Fair Oaks Ave., Suite G-300  
Pasadena, CA 91103

Please feel free to contact us with any questions or concerns. We truly appreciate and look forward to your participation.

Best regards,

Angélica Palmeros, MSW  
Division Manager  
Social and Mental Health Division
